

Invitation to Tender Electrical Conduit Installation

BVI Electricity Corporation invites qualified contractors to tender for the provision of labor services for the installation of electrical conduit and supervision of the digging and backfill process. This initiative is a part of the Government of the Virgin Islands' Road Rehabilitation Hodges Creek to Paraquita Bay Project.

Project Overview:

The selected contractor will collaborate with the Ministry of Communications and Works and Northam Construction to lay and bond 6,400ft of 6-inch electrical conduit and oversee of the excavation and backfill procedures in accordance with the provided drawing.

The assigned duties encompass:

- a. Supervising the digging and backfill process to ensure proper compaction and compliance with the provided drawing.
- b. Installing of 3 runs of 6" electrical conduit in accordance with the drawing specifications provided.

Submission Requirements (Interested tenderers are required to submit the following documents):

- A list of projects completed by the tenderer within the past five (5) years, showcasing experience in similar projects.
- Ability to adhere to project timelines and budget constraints.
- Copy of a valid Trade License.
- Good Standing Certificates from Social Security Board/Inland Revenue Department/National Health Insurance
- Detailed Financial Proposal including a breakdown of labor costs and payment milestones for the execution of the project.
- The Tenderer shall prepare one (1) original and three (3) copies of their tender all enclosed in one (1) envelope with the Original clearly identified.

Submission Deadline:

All tenders must be submitted by no later than **10:00 a.m. local time on Wednesday 6th, March 2024**. Tenders received after this date and time will not be acknowledged.

Submission Address:

Please submit tenders in a sealed envelope to BVIEC at our Long Bush Office:

Attn: General Manager
BVI Electricity Corporation
Lon Bush, Tortola
